Whoop-er-Up! For Wesleyan in the Great Game Here Saturday

Whoop-er-Up For Parsons - Souders in the Great Game of Fashions for Women Tomorrow

No amount of talk ever gets a football team into state wide or country wide prominence. It had to have the goods. The Goods! The Goods! The Goods! No imitation, no half-way quality, full measure confidence, full measure lasting qualities, full measure work, and the main thing is work.

It's Just the Same in Women's Coats and Suits

It isn't a matter of talk. You might as well try to talk the ever-lasting waves of the sea to sleep as to try to talk sane women into giving up their money for clothes that are not "the goods." But—when you keep on winning: winning: for thirteen years and more it proves things. It proves you have "the Goods." Let us show you the suits and coats tomorrow, better than ever after one-eighth of a century winning.

In tomorrow's papers we will give details of our annual Thanksgiving sale of Table Linens and Napkins. Also an announcement will be made of a Thanksgiving sale of Draperies, Curtains, etc. Sale Beginning Nov. 15

Among the Very Inexpensive Waists, There's Nothing So Very Serviceable and desirable As the Wirthmor We're Selling At \$1.00

These waists are all made of materials that will bear repeated trips to the laundry—and come back unharmed—in full possession of their original attractiveness. It's real economy to have several of them for general service wear—for in this way the Blouse of finer texture can be preserved for dress-up occasions—thus insuring for them a much longer life. The frequent arrival of new styles—immediately after they are created by designers in continual touch with style evolution—constitutes an assurance that the styles are not only new but right. The values, too, are always the most unusual.
